## NorthWood Wrestling Grappler Golf Outing

The NorthWood Wrestling Club is hosting this golf outing to raise money to allow opportunities for wrestlers in our community ages 4-18. With the growing cost to participate in sports today, we would like to make Wrestling, and unique opportunities in the sport, available to kids putting in the time and effort to become better wrestlers and people. The money raised will help pay for entry fees and costs to participate in tournaments and camps. Funds will also help coaches provide incentive programs and take kids to camps and college wrestling matches. It will provide the program the ability to buy equipment that will help make NorthWood Wrestling something special for our kids to be a part of.

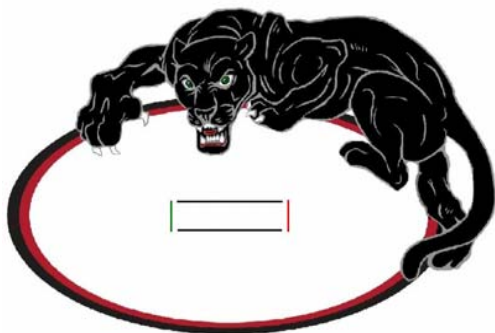

We greatly appreciate your participation in this event. You can feel reassured that your money will go towards developing kids as good people as well as good wrestlers. If you can not participate this year and would like to make a donation you may send your generous contribution to:
